Base Moulding

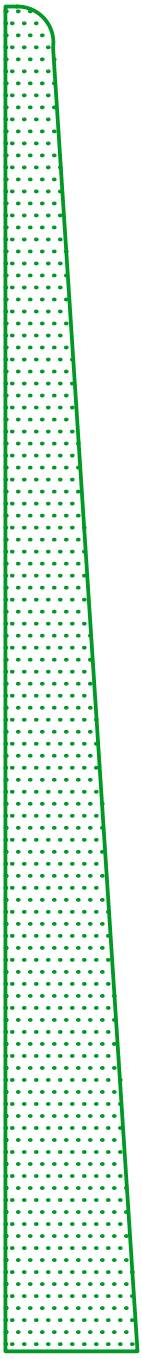
-All base profiles can be modified in size (width&height) but cannot lengthen or shorten original profile

-Rabbit's or dado's are also available to be included on base profiles if needed

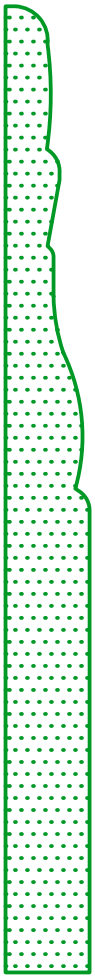
-Profile matching base corner blocks are also available for all of our base patterns or just flat with top edge radius --They come in ½", ¾", & 1½ " radius sizes

-Matching Flex & Solid Wood Radius Base material is also available by the lineal Feet

C1-BASES



#609
$\frac{11}{16} \times 7$



#610
